PRODUCT INFORMATION

CLEANER & WAX REMOVER

PRODUCT NO.	50301, 50304, 50308
GENERIC TYPE	Cleaner & wax remover
COLOR	Blue
GLOSS	Not applicable
SOLIDS BY WEIGHT	Not applicable
SOLIDS BY VOLUME	Not applicable
THEORETICAL COVERAGE @ 1 MIL DFT	Not applicable
COVERAGE @ RECOMMENDED DFT	Not applicable
RECOMMENDED DFT PER COAT	Not applicable
WEIGHT PER GALLON	6.5 lbs.
FLASH POINT	104°F
USE	Removes wax and polish buildup from interior wood surfaces.
VISCOSITY AT 77°F	14 sec. #2 Zahn Cup
AVERAGE DRY TIME AT 70°F & 50% R.H.	12½ minutes
RECOMMENDED THINNER	None
APPLICATION	Dampen a soft clean cloth and rub the surface thoroughly to remove wax and polish buildup.
SURFACE PREPARATION	Wipe off loose dirt first, then proceed cleaning surface.
CLEAN UP	Wipe with a cloth and dispose of properly.

FOR THE LOVE OF WOOD®

Interior Wood Stains, Clears, Removers & Miscellaneous Sundries

PRODUCT INFORMATION

OLD MASTERS® CLEANER & WAX REMOVER

OLD MASTERS® CLEANER & WAX REMOVER is specially formulated to remove wax and polish buildup from interior wood surfaces such as cabinets, paneling, fine furniture and antiques. Over time, waxes and polishes build up and create a film that darkens and softens the finish on furniture. OLD MASTERS® CLEANER & WAX REMOVER dissolves buildup and helps restore wood's natural beauty.

DIRECTIONS FOR USE: Test an inconspicuous spot before using to ensure that finish is not lifted with the wax. Dampen a soft, clean cloth with OLD MASTERS® CLEANER & WAX REMOVER. Rub the surface thoroughly, wiping in the direction of the woodgrain. If necessary, repeat with a clean cloth to pick up any excess remover or stubborn buildup.

After cleaning, apply OLD MASTERS® LEMON OIL to moisturize and preserve the wood's natural beauty.

DANGER!

HARMFUL OR FATAL IF SWALLOWED COMBUSTIBLE LIQUID AND VAPOR.

Contains: Petroleum Distillates. VAPOR HARMFUL. MAY AFFECT THE BRAIN OR NERVOUS SYSTEM CAUSING DIZZINESS, HEADACHE OR NAUSEA. CAUSES EYE, SKIN, NOSE AND THROAT IRRITATION. NOTICE: Reports have associated repeated and prolonged occupational overexposure to solvents with permanent brain and nervous system damage. Intentional misuse by deliberately concentrating and inhaling the contents may be harmful or fatal. Keep away from heat and flame. Prevent build-up of vapors by opening all windows and doors to achieve cross ventilation. **Use only with adequate ventilation.** Do not breathe vapors or spray mist. Ensure fresh air entry during application and drying. If you experience eye watering, headache or dizziness or if air monitoring demonstrates vapor/mist levels are above applicable limits, wear an appropriate, properly fitted respirator (NIOSH/MSHA approved) during and after application. Follow respirator manufacturer's directions for respirator use. Close container after each use. Avoid contact with eyes, skin and clothing. Wash thoroughly after handling. **First Aid:** If you experience difficulty in breathing, leave the area to obtain fresh air. If continued difficulty is experienced, get medical assistance immediately. In case of eye contact, flush immediately with plenty of water for at least 15 minutes and get medical attention; for skin, wash thoroughly with soap and water. If swallowed, do not induce vomiting. Call Physician immediately. If spilled, contain spilled material and remove with inert absorbent. Dispose of contaminated absorbent, container and unused contents in accordance with local, state and federal regulations.

KEEP OUT OF REACH OF CHILDREN.

Limited Warranty

Since Old Masters® does not control the application of its products, nor the condition of the surfaces to which they are applied, a Limited Warranty is provided. If the products do not perform as specified, for whatever reason, Old Masters® liability will under no circumstances exceed replacement of the product.
